PRESIDENT'S MESSAGE **Rob deWit**

We are quickly moving into the holiday time of the year again. Lets hope we get some of that wonderful white stuff to help put everyone in the spirit of the season.

We had an excellent turn out at our annual Past President's Night meeting in November. Congratulations to Bob Howe for receiving the South Dakota Chapter's annual "Lifetime Achievement" award. Fred's accomplishments not only in the HVAC world but as a person in the community are extraordinary. We're fortunate to have members like Bob in our ASHRAE chapter.

Our next meeting will be December 6th, 2006. The social hour will begin at 5:30 p.m., dinner at 6:30 p.m., meeting and program to follow.

See you at Westward Ho on Wednesday evening.

Sean O'Connor, CTTC Chair

This week's speaker is Martin Hannah with Change' Air U.S. He will be discussing Vertical Unit Ventilator technology and applications. Thanks to Trane for lining up this speaker. Hope to see you all there.
